### Agent's Description of the Offense

The following information was garnered from the Wayne County Prosecutor's Office "Criminal Investigation Division's Investigator's Reports dated October 22, 2018, and updated May 2, 2019, per new plea and settlement agreement with the Defendant, Complainant, Wayne County Prosecutor's Office, and Michigan Attorney General's Office. This information and report stays in the electronic and paper file -- hard copy ved by any MDOC or other official per settlement agreement between all parties involved in the case, effective on May 2, 2019.

This case has multiple layers to it, and it involves separate incidents which are: Second Degree Murder -- With Special Circumstances -- Self-Defense.

The criminal sexual conduct is a different case and is not related to each other for scoring and sentencing purposes.

On July 8, 1997, Defendant Derrick Lee Cardello-Smith and his female companion, [REDACTED] were leaving a movie theatre when they were approached by the now deceased victim, Cari Bishop, and two companions who were exiting a tavern on 8 Mile and Van Dyke in Detroit, MI. When they came upon Defendant Derrick Lee Cardello-Smith and his female companion who were leaving a movie theatre when Defendant Cardello-Smith and his girlfriend bumped into each other at the corner of the parking lot and building -- an argument ensued with the three men becoming enraged that the Defendant was with a woman of the opposite race (Caucasian). They started yelling obscenities to the Defendant and his companion. Defendant was attempting to keep the matter from getting more aggressive, when according to witnesses, two of the men started fighting with Defendant Cardello-Smith, who then saw that his female companion was being attacked physically by one assailant, Carl Bishop (decedent). Cardello-Smith injured two of the men he was fighting, then ran over to the decedent, Carl Bishop, who had pulled a knife on the female companion and was going to assault her with the knife. Defendant caught the decedent by his wrist and while they were grappling, Cardello-Smith then fell on top of the victim Carl Bishop, and the weapon had penetrated the assailant's/decedent's lungs. Defendant then was heard saying "Now you're going to die in a filthy parking lot with your own weapon in your chest" -- the victim was rushed to Emergency Care at St. Johns Hospital where he was kept in intensive care for two weeks, before he succumbing to his injuries. Two weeks later Cardello-Smith was taken into custody for 2nd Degree Murder and was sentenced to Parolable Life.

While in custody, and while representing himself, Defendant obtained an Appeal. Defendant then entered a Plea of No-Contest to a number of years and was given a new conviction from a sexual assault case that occurred in January 2008, while the Appellant was out on bond pending his original appeal.

See police report for full description of the crime as required by new settlement as to the sex crime, which Appellant successfully appealed in January 2019. Defendant is now before this court to be resentenced and has in fact taken a No-Contest Plea for the vacating and dismissal of six (6) counts of Criminal Sexual Conduct, 1<sup>st</sup> Degree (Adult); and two (2) counts of Kidnapping in January 2008. Please see Supplemental Incident report from the Detroit Police Department.

The terms of the sentence and new agreement are; twenty-five (25) years to thirty-five (35) years; no habitual, and a full dismissal of the Criminal Sexual Conduct Charges with the active sentence being second-degree murder. This new sentence takes effect upon the signing of the final Cobbs evaluation and all parties agreeing. Therefore, OTIS (Offender Tracking Information System) will reflect the criminal sexual conduct until the case is resolved per the agreement between all parties.

The new sentence is the active sentence and will take active sentence status in 2026, and this information will remain in the file record until court approved.

Any party or agency removing this from the file will be subject to liability as agreed upon in the settlement and stipulation between all parties.

Defendant currently will receive a wrongful conviction settlement at \$50,000.00 for each year on the Counts of Criminal Sexual Conduct upon final settlement for the 1997 and 2008 cases per agreement. not subject to forfeiture by the State Correction's Reimbursement Act per the agreed upon amount already paid to the STATE OF MICHIGAN (agreement not provided per privacy laws) - - Three Million, Six-Hundred thousand, dollar settlement will be released to Defendant upon the final resolution of the criminal sexual conduct case, which is currently under review by the parties of Wayne County Prosecutor's Office, Michigan Attorney General's Office, and the Defendant, upon release from the custody of the Michigan Department of Corrections, or an heir or spouse is named by defendant - -

#### **Sexual Offense Encounter Description**

The following information was garnered from the Wayne County Prosecutor's Office Criminal Investigations Division Investigator's Report, dated 10/22/18:

On 10/12/97, Carli Boile reported to Detroit Police Officers she was sexually assaulted. She stated she had stopped at Shell Gas Station near 8 Mile and Schoenherr in the City of Detroit. As she was waiting to pull out into traffic, an unknown male jumped into her car and forced her to drive to an unknown location. Once there, he forced her into the backseat and sexually assaulted her. She stated she got off work at the Club between 2:30 and 3:30 am.

New Conviction Update Report

---

A guy walked by and asked if she could give him a ride home and said he just got out of jail. She told him, "no", and went into the Shell Gas Station at 9 Mile and Regent. After getting gas, she was about to light a cigarette while waiting to pull out of the parking lot. The same guy got into her vehicle and told her to drive. She told him to get out, and he told her to shut up and drive, and said his mom lives on Carlisle and to take him there. While driving he told her, "oh yeah, my mom is dead." He told her to take him to a friend's house and was giving her directions that took them to an alley. The last street she recalled seeing was Alcoy. He said he was waiting for his friend to get home. He told her to turn the car off and it was a bad neighborhood, so she does not want to wake anyone up. About 15 minutes later, she told him he was going to have to wait by himself and she was leaving. She went to turn the car on and the keys were gone. She did not notice the defendant had taken them. She asked of the keys and he told her no. She promised not to start the car and he gave her the keys. He started getting closer to her. Carli said she grabbed her mace and he did not notice. He locked the doors and reclined her seat. He told her they were going to have sex, and he had not had sex in years because he was in federal prison. She started to say, "lets' get a hotel room or something," and he began pulling her pants down and she told him no. He said, "we are going to have sex right here and right now." He pulled her pants down and told her to pull her clothes off. She told him, "no", and he pulled her shirt over her head. She kept fighting him and he saw the mace in her hand and asked what it is. She told him it was nothing and tried to hide it underneath her. He rolled her over, saw it, and then threw it in the front seat. He told her she could mace him, fight with him, but nothing she would do would stop him and he could kill her right there. He put his penis inside of her vagina. He attempted to force his penis in her mouth. After the assault, he had her drive him to the gas station. He left when another patron started paying attention to Carli. She said she was speaking very loudly trying to get him out of her vehicle. She described him as black or Puerto Rican, and indicated he had long hair tied back in a ponytail.

A group founded by the National Institute of Justice was formed to address the issue of sexual assault kits that were not tested in Detroit. This kit was tested in 2015, and the DNA obtained from the kit matched the defendant's.

On 10/11/2018, the victim was re-interviewed and stated she was working at Player Night Club and went to the gas station after work to get gas. She recalled the same circumstances as to how he got into her car. She added once he got in the car she said, "what do you need, you can go get drugs. He said, "Yeah, drive me there and I can go get drugs," I can't remember the street. He had me pull in the ally end and stopped and there was a house kitty corner with a light on. He said we gotta wait. I started to believe that once he got out, I'd be able to get away.

**Evaluation and Plan**

Appearing before the Court for sentencing on two counts of Kidnapping, and six counts of Criminal Sexual Conduct First Degree, Habitual 4th Notice is Derrick Lee Smith, 35 year old married man, who acknowledges paternity of four children. The defendant reported he was born and raised in the City of Detroit and was residing at 470 Martin Luther King, Detroit, MI 48208 at the time of his arrest. There is no phone service at the residence.

Positively speaking, the defendant was cooperative during his Presentence Investigation interview in the Wayne County Jail, with the exception that he refused to sign or initial the Sex Offender Registration documentation. The defendant stated that he had been previously registered and further stated that he is innocent of the charges he is facing before this Court. The defendant's criminal record reflects he was originally registered 5/18/1998 on the charge of Criminal Sexual Conduct Third Degree.

The defendant continues to have the support of a family friend, Linda Gabriel. Ms. Gabriel reported she has known the defendant over several years and she also believes he is innocent of the charges.

The defendant reported he is relatively good physical health, however he suffers from back problems and arthritis for which he takes an aspirin daily. The defendant also reported he is allergic to penicillin. The defendant denies any history of mental health problems or treatment for same. The defendant was referred for a Competency Evaluation by this Court on 1/28/08 and was found competent to stand trial on 5/5/08.

The defendant denies any illegal drug or alcohol use. The defendant reported he voluntarily attended substance abuse classes while incarcerated, however he denies any drug or alcohol addiction. Parole records also indicate the defendant tested negative for all alcohol and drug tests while under parole supervision. Furthermore, the defendant reported that while incarcerated he obtained his GED in 1999 and he received certificates in Legal Research, and a Paralegal Certificate. The defendant reported he has a very limited employment history, however he worked a Library Clerk and Legal Writer while incarcerated with the MDOC.

Negatively speaking, the defendant has an adult criminal record which dates back to 1991 to the present time. The defendant is currently under sentence, serving six to fifteen years incarceration on two convictions of Criminal Sexual Conduct Third Degree, under Third Circuit Court Docket Numbers 97010147-01 and 98004133-01. The defendant was sentenced on the aforementioned convictions on 5/26/98. Parole violation charges have been served on the defendant as a result of his involvement in the within offense.

The defendant was first paroled on 10/4/07 to expire on 6/26/10 and 11/20/10. The within charges are the defendant's first known parole violations.

In addition, the defendant was unsuccessfully discharged from out-patient sex offender treatment on 1/24/08 by his counselor, Theodore Martin at Carefirst Community Health Services (313) 846-5020.

## Presentence Investigation

Rev. 10/03

The defendant's prognosis for the future is extremely poor, in light of his pending parole violations and his continued involvement in criminally sexual assaultive behavior. The defendant denies culpability in the within offense and is adamant that he is innocent of the charges and was coerced into pleading Nolo Contendere.

The defendant's sentencing guidelines ranges on the charge of Criminal Sexual Conduct First Degree are 270 to 900 months which mandate incarceration. The defendant's sentencing guidelines on the conviction of Kidnapping are 270 to 450 months which also mandate incarceration. He is therefore ineligible for PA511 or participation in the SAI Prisoner Boot Camp due to the nature of the offense.

In view of the information reported above, it is therefore respectfully recommended that the defendant serve a term of incarceration on each felony conviction count.

### **Agent's Description of the Offense**

The following information was garnered from a Detroit Police Investigator's report dated: 1/13/08

On 1/13/08 at approximately 3:00 a.m., the complainants Tina Marie Bommarito, age 31 and Andrea Bommarito, age 21 were leaving the Oslo Bar located at 1456 Woodward, Detroit, MI, when the defendant Derrick Lee Smith walked out of the bar with them. Both complainants initially met the defendant when he walked in the bar at the same time and the complainants walked in the bar around midnight. The defendant walked the complainants to their car and opened the back door and sat in the back seat. A conversation ensued and the complainants agreed to take the defendant home. The defendant directed the complainant to Seven Mile and Gratiot and was instructed to turn on Lappin. The defendant then told the complainant Tina Bommarito to stop the car. The defendant then grabbed both complainants and told them that he had a knife and he would hurt them if they did not follow his instructions. The defendant made complainant Andrea Bommarito get in the back seat. He then tied her wrists with a scarf and made her lay down on the floor. The defendant made Tina Bommarito (Complainant No. 1) get in the passenger seat and told her to disrobe. The defendant forced his penis inside Complainant No. 1's vagina without a condom. Andrea Bommarito (Complainant No 2) had her sister's cell phone in her hand and managed to dial 911 and left the phone on. The defendant drove the car and parked at a darker location. The defendant then made the complainants switch places again. The defendant then tied complainant No. 1's wrist and made her lay on the floor. The defendant forced his penis inside complainant No.2's vagina without a condom. The defendant made the complainants switch places again. The defendant complainant No. 1 perform oral sex on him then attempted to get on top of the complainant, when she opened the car door and ran to 7 Mile Road where she flagged down an unknown vehicle. Complainant No. 2 then called 911 again and spoke to a dispatcher. The defendant chased complainant No. 1 and grabbed her and took her back to the car.

The dispatcher instructed officers to go to 7 Mile and Hoyt, but the car was gone when the officers arrived. Detroit and Eastpointe Police were in the area looking for the car. The complainant No. 2 had left her cell phone on in the car and the dispatcher could hear the defendant say he was going to rape and kill the complainants. The defendant stopped the car in front of 13780 Edmore and forced his penis inside complainant

No. 1's vagina for a second time. Complainant No. 1 was able to hit the hazard lights with her foot. The defendant then became enraged and was trying to turn the hazard lights off. The dispatcher informed officers to look for the car with the hazard lights on. Eastpointe Police located the car and arrested the defendant. There was no weapon found.

The defendant was charged with six counts of Criminal Sexual Conduct First Degree and two counts of Kidnapping and pled Nolo Contendere to all conviction counts on 10/14/08.

### **Consecutive Sentences**

The Assistant Prosecuting attorney offered no statement as to whether consecutive sentencing applies, however as the defendant was under parole supervision at the time of his arrest, consecutive sentencing applies.

### **Victim's Impact Statement**

Writer spoke with the victim, Tina Bommarito who was reluctant to discuss the case over the telephone. Writer faxed a Victim's Impact Statement to the complainant and is awaiting a return fax at the time of this writing.

It is therefore, recommended that restitution be set a zero unless further information is obtained.

### **Defendant's Description of the Offense**

The defendant gave the following statement when interviewed in the Wayne County Jail:

"I am not guilty of the charges. The only reason I pled no contest was to get out of the county jail after 10 months of being incarcerated. I didn't commit the crime, they are both liars. While I was representing myself, I was denied the chance to fully present a good defense for myself, due to being held in the Wayne County Jail since 1/13/08 the night of the case. 24 hours a day locked down against my will and coerced into resolving this matter, due to my present living conditions. I am innocent of the crime."

/s/ Derrick Lee Smith
